

Breese Honeymoon on Yacht; Weds Miss Matsner To-Day

Marriage the Climax of a Romance of Work in the World War.

Miss Paula Augusta Matsner of No. 15 East 24th Street will be married to-day to Sydney Salisbury Breese, an aeronautical engineer of Southampton. The Rev. John Elliott will perform the ceremony at the home of the Society for Ethical Culture, No. 2 West 64th Street.

The bride-to-be is the daughter of William N. Matsner of Vienna, where she was born. She accompanied her parents to the United States when a year old. Her early study at the Ethical Culture School was supplemented by a technical course at Columbia University.

At the outbreak of the war with Germany, Miss Matsner joined the Red Cross Motor Corps, and took an active part in its work. She also assisted in the war work of the Y. M. C. A., the Y. W. C. A. and the American Liberty Association. It was while Miss Matsner was doing patriotic service that she met Mr. Breese.

Miss Matsner is a classical dancer whose dancing has been a feature of exclusive society and artistic affairs. She has also been an instructor at an east side playground. But she has never danced on the professional stage.

Mr. Breese, a grandnephew of Bishop Potter on his mother's side, in 1907 married Miss Elizabeth Alexandra Morton, daughter of Mr. and Mrs. Alexander L. Morton, of Southampton, L. I., where the two families had summer place. They were divorced in April, 1919, and she was married in April, 1919, and she was married to Newell W. Tilton on March 19, 1919. He served in the construction division of the Naval Aviation Service at Washington during the war. He recently aided Dr. Graham Bell in experiments at Nova Scotia. The couple will spend the summer cruising around Mr. Breese's auxiliary yacht, the *Platona*.

WON'T COMMIT TEACHER.

Judge Says Miss Monk Must Be Examined by Experts.

A motion to commit Miss Emma Monk, seventy-seven years old, of No. 425 Carlton Avenue, Brooklyn, a former school teacher, an insane, was dismissed to-day by County Judge MacMahon, who said that he had no authority to commit the former teacher until she had been examined by medical experts.

Effort was made about a week ago by Mrs. Elizabeth Yearwood, from whom Miss Monk rents two furnished rooms at the Carlton Avenue address, to eject her as an objectionable tenant. MacMahon dismissed the action at that time.

BANDITS' DRIVER GIVES UP.

Chaufeur Says He Did Not Know His Fares Had Staged Robbery.

Learning the police were looking for him as the man who drove three hold-up men after they had robbed the office of Herman Brand at No. 404 East 48th Street on Saturday, David Schlesinger, a chauffeur of No. 326 East 49th Street, surrendered to-day. He was held without bail for examination on Friday in Yorkville Court.

Schlesinger says the men engaged him to drive them and he was ignorant of the hold up when they came from the office. He says he dropped them at 25th Street and received \$2 for his services, which at the time he considered perfectly legitimate.

THIEVES IN BANKER'S HOME.

Silverware Stolen From Tarrytown House of S. H. Lehman.

The Tarrytown home of S. H. Lehman, New York banker, was entered last night and all the silverware stolen. The robbery was discovered this morning by Mr. Lehman's son Harold. The kitchen door had been left open all night and it is believed that the thieves entered that way. The police could give no approximate value of the goods stolen, but it will run into the thousands.

MISS PAULA MATSNER

MR. McDONALD CAN'T REDUCE ALIMONY

Railroad Builder Must Still Pay \$200 a Month—Washington Case Recalled.

To further her claim that her husband, James P. McDonald, railroad builder, is well able to pay her \$200 a month alimony in a separation decree granted in 1913, Mrs. Edith McDonald, through her attorney, Edward R. Burger, No. 233 Broadway, submitted an affidavit to Justice Tierney to-day showing that McDonald was addicted to the habit of drinking and was guilty of misconduct by Justice Ladd in Washington and was ordered by the Washington court to pay \$400 monthly for a divorce action in which Dr. G. W. Lee Cole, surgeon, and his wife recently figured in Washington. Justice Tierney to-day denied McDonald's application for a reduction of alimony.

The suit in Washington was the one in which a letter was written to Justice Ladd of the Supreme Court by Mrs. Carolyn Votaw, sister of President Harding. The attorney for Dr. Cole took the matter before George Christian, President Harding's secretary. In 1915 McDonald was directed to pay Mrs. McDonald \$100 monthly. This was subsequently reduced to \$200, following a referee's hearing. When he applied for a further reduction of alimony according to the alimony decree, McDonald took the case to the referee purely through the generosity of the proprietor.

THE GREAT ATLANTIC & PACIFIC TEA CO.

Why This Opportunity Is Offered

Our great readjustment sale last Autumn anticipated the radical reductions along all lines that have followed. In consequence we are, and for several months have been, on a reconstructed price basis.

We realize, however, that unusual values must still be presented in order to appeal to the widespread spirit of economy.

We decided to create such an opportunity, by reducing our discontinued fabrics and patterns, and such seasonable goods, which, if not sold now, would remain in stock for some time, to prices which would make certain their sale by June 30th.

Our further desire was to bring our establishment, its resources, and the attractive prices of our merchandise to the attention of those who, for some reason, may not have visited us before.

Oriental Rugs

If we were to be guided only by the conditions prevailing at this time in the rug weaving countries of the East, we would be justified in advancing rather than reducing the prices of this merchandise. While it is true that mediocre rugs, the dregs of the market, collected and brought here because of the war-time scarcity, can be purchased now at lower prices than previously, the conditions as to fine examples are even more chaotic than during the war disturbance.

Careful, supervised manufacture by the skilled weaver is practically nil, and as it requires from eight to eighteen months to make and transport a room size rug to this market, it requires no great knowledge of the business to realize that prices must remain stable for some time to come.

We list below but a few of the rugs now offered, including:

Imported and Domestic Rugs

We have selected from our stock many rugs, perfect and desirable in every respect, and reduced them to a new low level of price, for no other reason than that they are discontinued patterns and fabrics, the result of manufacturing readjustments, which we decided to sell rather than take an inventory.

Among them, in addition to plain effects, will be found many Oriental designs, copied from the best of the Eastern rugs, designs which never really are out of style.

UPHOLSTERY AND DRAPERY FABRICS

Hand Blocked Printed Linens and Cretonnes

The use of these durable and very decorative fabrics is finding increasing favor with those who have the problem of home decoration to solve. The growing importance of the Chintz in decorative use, with its many useful purposes, has brought about an evolution in styles, and the old idea that almost any design, no matter how blatant and inartistic, was good enough, no longer holds sway.

Today it is possible to secure designs and color effects inspired by the best of the early English and French handmade fabrics, made with an attention to detail and a skill which gives to the fabrics much of the charm of the original from which it received its inspiration.

Among those offered in this sale, for instance, will be found designs copied from a piece of old needlework in Haddon Hall; copies of the famous Webb crewel work of the Jacobean period; the needlework panels of the 17th and 18th Centuries. All these are outstanding examples of the wonderful and artistic effects now obtainable in these comparatively moderate priced fabrics.

Made on pre-war linen, dyed in the most permanent manner, these sturdy fabrics serve, not alone the requirements of the country home, but are an artistic embellishment to the finest of city dwellings.

We offer some 10,960 yards of these desirable fabrics at prices 50% lower than prevailed last Spring.

"SLOANE" VACUUM CLEANER

Important parts cast in one piece in aluminum
Powerful horizontal motor of Universal type. Weight 12 pounds.

COMPLETE WITH 8 ATTACHMENTS for \$48.00

We desire to emphasize but three points in our claim for the Sloane Vacuum Cleaner, these three being the vital points of interest to the purchaser.

1—No other sweeper of similar type is any more powerful in suction—any lighter in weight, stronger in construction, or more simple in operation.

2—That the full set of attachments, without which no

cleaner can provide the maximum service, is now considered by ourselves as part of the cleaner, and is included in the price—not sold separately at an additional cost.

3—That, while cleaners of similar type are generally sold at much higher prices, no more service or more satisfactory results can be obtained from them.

We shall be pleased to demonstrate the Sloane Improved Vacuum Cleaner to all who may be interested.

Come Prepared to Buy

Inasmuch as the goods are placed on sale at these extremely low prices for the sole purpose of immediate sale, we cannot agree to send them on approval.

Therefore, will you kindly come prepared with full information as to the dimensions of rooms and quantities desired, as no reservations will be made?

As in many cases the quantities are limited, an early inspection is advised.
